Provider Information Notice (PIN) Summary

PIN 21-13-CCP provides information about the repeal of Title 22, Section 101161(b) regarding ambulatory and non-ambulatory children.

The Department has repealed Title 22, Section 101161(b). This regulation had previously stated:

- “(b) Child care centers or rooms approved for ambulatory children only shall not be used by non-ambulatory children.
(1) Children whose condition becomes non-ambulatory shall not use rooms or areas restricted to ambulatory children.
(2) The Department has the authority to require children who use ambulatory sections of the child care center to demonstrate that they are ambulatory.”

Accordingly, licensed child care centers are not subject to these requirements. For the current version of Title 22, Section 101161, visit this [link](#).
